

YOUR IDEAL JOB

What are the most likely job titles for the position you want?

Describe your ideal employer. Size, industry, culture, location, annual revenues, structure (public, private, family-owned, franchise, nonprofit, etc.), start-up or established company?

Describe your ideal job — the position you would most like to have. Job title, responsibilities, who you would report to, who would report to you. Would it involve travel? How much? Do you want to work independently, as part of a team, or both? Do you like short-term projects or long-term projects?

What industry or job field would this position be in?

What do you want your next job to do for you that your last job didn't do? What will be *different* about your next job?

Desired Salary/Compensation

What are the most important benefits — other than salary — that would prompt you to go to work for a new company?
